Docket No. 98N-12652 '99 APR 26 AM 12:24
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: Being able to obtain this
compound prescription has not
only reduced my symptoms and
increased the quality of my days
it has given me back "the life"
I once lived before these symptoms
controlled it.
